## 5.4 Price Tariffs

Our standard price tariffs are available from our Network & Billing team on 0800 254 55 44

## 5.5 Billing and Payment

We bill customers on a monthly basis. Our normal payment option is by Direct Debit, which represents one simple monthly transaction. Protected by the safeguards of the Banks, you have complete peace of mind regarding the accuracy of your payment. If an error is made you will receive a full refund to your account.

We provide itemised bills in an electronic format (e-mail); this can also be provided on paper at additional cost or from our web-based billing platform. Please contact the Network and Billing team for more information.

## 5.6 Disconnection Policy

Should you have difficulty paying your bill please contact us so that we can arrange a suitable alternative method of payment.

Please do not cancel your direct debit, as this will need to be in place for future payment collections. Where a direct debit is unpaid due to insufficient funds or cancellation of the direct debit instruction, a £25 administration charge will be included on your next monthly bill.

We will not disconnect you from our service, unless payment is defaulted on, or a direct debit is not in place to allow us to collect future payments. Prior to doing so we will contact you advising of the outstanding balance or the need for you to re-establish the direct debit instruction, allowing 7 days for this to be done.

After this period, we may restrict your telephone service by way of call barring to prevent an increase in the debt.

Further reasons for which we may disconnect your service are given in our Contract Terms and Conditions, a copy of which is available from our Billing team or via our website [www.shinenetworks.net](http://www.shinenetworks.net)

## 5.7 Complaints

### Introduction

If, as a customer, you are unhappy with our service, please let us know so that we can put things right as quickly and smoothly as possible. With this in mind, we have developed a Complaints Procedure, which explains who you should contact and what to do if you have a complaint about the Shine Networks telecommunications services. The Complaints Procedure is described here.

### How to contact us

If you would like to report a fault, request maintenance or make a complaint about our service, please call our technical support line on 0800 254 55 44 from 9am to 5pm Monday to Friday.

If you would prefer to write to us instead, please address your letter to the address in section 2, alternatively e-mail to [support@shinenetworks.net](mailto:support@shinenetworks.net)

If you should wish to cancel a line or service, you should do so only in writing to the address in section 2, giving at least 30 days notice. Where the service is subject to a fixed term contract, early cancellation charges will apply.

### How we deal with your complaint

When you contact us, we will normally ask you to give us the following information in order to deal with your complaint as efficiently as possible:

1. Your company name and account number
2. Your name, contact phone number and e-mail address
3. Nature of the complaint
4. What you would ideally like us to do to rectify this for you

When we have logged your complaint, we will contact you to acknowledge receipt, either by telephone, e-mail or letter. We will make every effort to resolve your complaint when you first contact us. However, this is not always possible and we may have to investigate your complaint further.

Whatever your complaint, we will give you our initial response to it no longer than 5 working days from when you notified us. If you are not happy about the way in which your complaint has been handled, you can send a letter or email to one of the addresses in section 2, stating this and you will be allocated a dedicated investigator for your complaint.

If your complaint is not resolved within 10 weeks or we have sent you written confirmation that the dispute has reached a deadlock situation, you may refer the complaint to CISAS who operate an Alternate Dispute Resolution (ADR) scheme on behalf of us as an CISAS member. Please refer to the contact section above for details. CISAS is an independent Ofcom-approved ADR scheme.
